This is the fifth revision and enlargement of our Dakota Hymn Book. Almost at the beginning of the mission some few hymns were prepared. Their number has increased with the larger needs of the churches. Many of these hymns are the composition of the Dakotas themselves. Some of our tunes are also Dakota native airs. Thus this book has grown with the growth of the Dakota Mission, and is a token of the development of our Indian churches.

We would here acknowledge the help given us by James R. Murray of Andover, Mass., who has harmonized a number of the native airs, and has otherwise assisted in the musical part of this work.

We are also indebted to the following publishers and authors for the free use of their copyrights: Biglow & Main, J. Church & Co., Oliver Ditson & Co., Philip Phillips, A. S. Barnes & Co., Mr. George Kingsley, Rev. D. E. Jones, Rev. E. P. Parker, W. G. Fischer, and A. J. Abbey. Mr. George Kingsley has also favored us with a tune (Dakota) composed specially for this work.
